QUALITY FOR LIFE

C1000 DS

Specific Product Information

C1000 DS

Outdoor Power Wheelchair

In terms of quality, safety and adaptation, the new C1000 DS outdoor power wheelchair leaves nothing to be desired. It is the optimum choice. With its innovative speed-dependent direct steering and weight-dependent full suspension, it offers a comfortable driving experience. Energy-saving yet powerful lighting further enhances safety. The C1000 DS is ideal for day-to-day outdoor travel. With its direct steering feature and a low seat height, it is also very well suited for indoor use.

C1000 DS

Power to the Street!

Features

- Innovative direct servo steering system
