

IBISXP

Compact electric wheelchair

Excellent manoeuvrability
Easy to use
Maximum comfort
An attractive price

Ibis XP. Compact and comfortable, a perfect combination.

The Ibis XP provides an excellent solution for those people who are no longer able to move themselves manually or foot-propelling, yet want to remain independent. Mobility is key with this no-nonsense electric wheelchair. With its compact design the Ibis XP is highly manoeuvrable and easy to use. FWD or RWD, the Ibis XP provides a smooth ride and maximum manoeuvrability. Ideal for home and hospital use, but also for use around the house. Of course, the Ibis XP incorporates the individually adjustable Sedeo seating system, ensuring maximum mobility as well as great comfort – for an excellent price.

IBISXP

Excellent manoeuvrability

Due to its compact design, the Ibis XP is highly manoeuvrable. It provides a smooth ride and maximum manoeuvrability indoors. FWD and RWD available.

Easy to use

The Ibis XP is very user-friendly. Easy to operate controller, simple for transfers. The Ibis XP is both comfortable and safe.

Maximum comfort

The fully individually adjustable Sedeo seating system provides excellent physical support and maximum comfort.

An attractive price

The Ibis XP solves your mobility problems with the utmost in comfort.
